

Plans and pricing

You send the event text, I design the flyer around it. This page sets out what one flyer costs, what a month costs if you run events regularly, and what is included either way.

INCLUDED ON EVERY PLAN

- One designed flyer per event, built around your text rather than dropped into a template.
- Every size you need for it, the Instagram post, the story, and a screen or banner version.
- Three rounds of changes per event, so the flyer is right before it goes out.
- You deal with me directly. No account manager, no agency in between.

QUOTED SEPARATELY

- Logos, brand marks and anything that is a rebrand rather than a flyer.
- Book covers, large format print, roll up banners and signage.
- Event promo videos: We will share the pricing for those services separately, depending on the nature of the videos.
- An extra event beyond the number on your plan, at the single flyer rate.

01

Month to month

No contract and no notice period. You can stop at the end of any month, and you can move up or down a plan whenever your program changes.

02

Events do not roll over

A quiet month does not bank flyers for the next one. Pick the plan that matches a normal month for you rather than your busiest, and pay the single rate on the rare extra.

03

Starting is one message

Send the next event on your calendar with the title, date, time, venue and speaker, plus your logo and any photo. I design it and we go from there.

If none of these quite fits the way your masjid runs, tell me what you need and I will put a number to it.
